To Whom it May Concern,

I gladly write this letter of recommendation for Sarah Hazelrigg and her accomplishments as a Digital Marketing Intern for It Is a Keeper during the 2022 summer semester. I had the distinct pleasure of working with and overseeing Sarah on a variety of marketing and communications initiatives during her internship.

When Sarah joined our team, she had some experience in search engine optimization, blogging and communications, but she quickly exceeded my expectations by completing new and challenging projects at a professional level.

Sarah's passion for understanding the digital marketing field is evident in her work. She also demonstrated professionalism and respect by completing her assigned tasks earlier than expected with minimum oversight and handling complicated projects with ease.

I have no doubt in my mind that Sarah's work ethic and learned skills have prepared her for work in the communications and marketing field. Her work ethic and professionalism will make her a valuable asset in any organization, as she was in my business.

If you have any questions, please feel free to contact me directly at (570) 357-6123.

Sincerely,
